

THE NICHE CLINIC

Sunday Summer Niche Jobs Newsletter

September 17, 2023

Issue 1

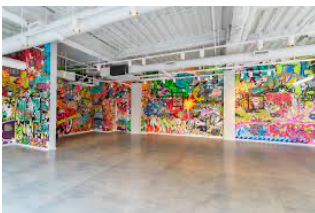

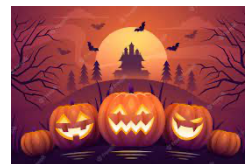

First issue of the 2023-2024 academic year

Welcome back! The Niche Clinic has an exciting year of activities and opportunities planned.

Many of you may have already started to "experience" our personal finance class at your high school or nighttime programs.

The full details and opportunities of our year program will be revealed Halloween Night. If you cannot make our Halloween kick-off event, then all those same details will be revealed on Sunday, November 5th.

While we have started to re-open 514 South Street for programming, we hope to offer programs and events at our space 6 days a week starting after our Halloween event. Please see the next two pages for our two upcoming events.

OPENING CEREMONIES HALLOWEEN STYLE

Explanation of our year-long program, it's expectations, and how participants will receive their money. Parent/guardian required if this is your first program with The Niche Clinic.

Supervised trick-or-treating available on South Street from 6pm to 8pm. (Police will be circulating to support our event.)

Costumes are optional but encouraged.

Bring family and friends to either learn about the program or just to have fun trick-or-treating and participating in our other Halloween themed events.

**TUESDAY, OCTOBER 31
STARTS AT SUNDOWN
(SUNDOWN EXPECTED @
6PM)**

**COUNTER CULTURE, 514
SOUTH STREET,
PHILADELPHIA, PA 19147**

Paid street parking available, but limited; The Niche Clinic CANNOT reimburse for parking. Free SEPTA passes are available for you and your family BEFORE the event; just make sure to get them at your school or host site.
