Issue 7

This issue is short and sweet.

If you have any interest in earning some money from The Niche Clinic, you must enroll in our yearlong program.

There are only two opportunities to do so: Opening Ceremonies on March 31st and then again for Niche Night #3 in January.

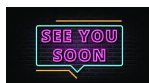

Details for Niche Night #3 have not yet been released. So, the real point is—COME TO OPENING CEREMONIES!

Unless you provide The Niche Clinic with 24 hours of advanced notice that you cannot make it to Opening Ceremonies, you will have to wait until January for a contract.

All students, at any time of the year, can join us for programming; you just will not receive a contract for money unless you attend Opening Ceremonies or Niche Night #3

Please see the next page for our Halloween event flyer.

See you all soon!
