Silver Niche Coins and Green Niche Coin became available yesterday afternoon during Re-Opening Ceremonies.

If you missed Re-Opening Ceremonies, but you are hungry for the Green or Silver Niche Coin, then make sure you attend Niche Night #1 on Thursday, December 21, from 4pm to 9pm at 514 South Street.

The Green Niche Coin has a present value of \$25 that increases 0.40% interest every day until May 31st. (That's 174 days.) You can cash it out any day you like. The longer you hold it, the more valuable it becomes.

The Silver Niche Coin entitles you to a \$100 UnSecurity. On Niche Night, you will receive a dividend (cash payment) plus a contract detailing what you have to do to get the remainder of the \$100.

This makes Niche Night #1 very important for the holders of Silver Niche Coins and those who missed Re-Opening Ceremonies and would like a Silver Niche Coin.

For the current holders of the Silver Niche Coin, make sure you complete this survey over the next 6 days to officially select your job. If not, the UnSecurity you are eligible for will decrease from \$100 to \$75 or lower.
