Issue 16

An early Happy New Year to our readers!

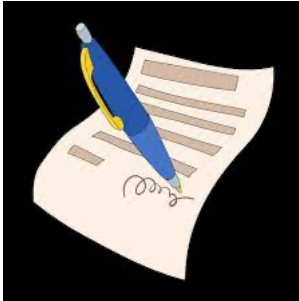

As you reflect on your successes and mistakes of 2023, as well as your hopes for 2024, ask yourself: Have you earned the income you wanted? Have you lived frugally? Have you saved and invested for your long-term goals?

When the staff at The Niche Clinic reflect on these questions, they too do not always provide the answers they wish they heard themselves say.

May 2024 elucidate a path toward wealth you can travel without detour!!

Speaking of this road to riches, let's discuss what's in store for 2024.

All Niche Clinic participants who do not have a contract will want one. (It's the only way to get paid.)

Currently, only students at String Theory High and Olney High have contracts. (The Uncommon Schools are on a different compensation journey.)

All other students will receive a contract by Sunday, January 13th. (That is if they attended our previous events and collected a Silver Niche Coin.)

Contracts award one of 3 Niche Coins.

Let's briefly review them.

The Silver Niche Coin has a par value of \$80, since a \$20 dividend has already been distributed to eligible asset bearers. More dividends will be paid out, but the actual Silver Niche Coin will also have a final and fixed future value. (More information on that later.)

The Gold Niche Coin has a face value of \$100. That means if you have it, you get \$100.

The Blue Niche Coin has a face value of \$50, which results in \$50 on the spot.

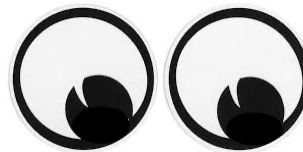

Your contract is payable in Gold, Silver, and Blue Niche Coins.

If you want more Niche Coins, then finish your contract quickly so you can get a second contract and get more Niche Coins.

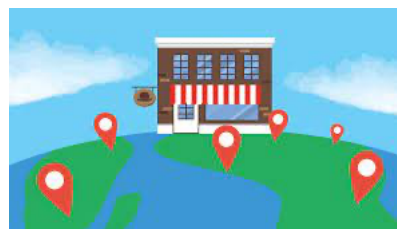

As stated earlier in this newsletter, contracts will be available by January 13th for those who do not already have them.

Here are what contracts will involve:

- Debate Team
- Fashion Show provided by The Damsel Project
- Financial Math and Poker
- Weight-Lifting
- Boxing
- Classic Internships at Local Businesses
- Editing a Youth Magazine
- Building your Own Business
- Investing (not available until Spring)

Each of those options require checking in with Niche Clinic staff virtually, in-person at your school, or in-person at Counter Culture.

See below for those details:
